“ I would like to express my deepest sympathies for all of you. I work at Power Trans Inc. in Bridgeville, De. and had the pleasure of talking to Garvin on the phone and through e-mails everyday at work. He was one of the kindest men I have ever worked with. We use to talk about our grandchildren and other things we enjoyed. He sure did love his family. He sent me pictures of the Christmas decorations in his yard and they were just great, they must of shown bright for miles. I will miss him. May the memories keep you smiling and love warm your hearts.
