“ As others mentioned, Nick was Great at taking young people under his wing and showing them the ropes (as he did for myself). I learned a whole lot from Nick, and I will not forget what he taught me. He was a good friend and a great person to work with. In today's times, you will not find an individual as caring and willing as Nick was. Godspeed Nick, you provided me with some super skills and wisdom. I miss the "Suds-A-Rootsa" ending to the week.

“ I will always remember "Uncle Nick" from all of the visits to Florida with the gatherings at his home to the fishing excursions in the rain on the golf course watering holes, to the rides in "Blacky" as we went out for dinner. One of my favorite memories was at Uncle Billy's house play billiards with the pool trouts and then the family pictures taken around the Christmas Holidays. You will be missed by many!

“ I'll always remember Nick for getting me started in Aviation. His sense of humor and ability to deal with young and inexperienced technicians. He helped a lot of us get started and will be missed.

“ I was so sorry to hear of Georgie's passing. I remember him as Mary Anne's big brother. How she loved him as we were growing up, he was her handsome big brother. What a wonderful family the Azarian's were and how much I enjoyed going to the farm, we were always made to feel so welcome. I know how much he will be missed by his family and friends. My deepest and sincerest condolences to them all.

“ *My thoughts of George are of how he always made time to stop and visit his Uncle Jimmy, my Dad, in Florida. They enjoyed each others company over a good home cooked meal. My Dad always looked forward to these vists and I appreciated George's thoughtfulness. He will be missed.*
