

## George Pierce

February 3, 1948 - March 20, 2012

Slay Memorial Funeral Center

Aubrey, Texas

George Wayne Pierce, 64, went to be with his Lord on Monday, March 19, 2012 after a 20 month battle with Bile Duct Cancer. Wayne was born in Pilot Point, Texas on February 3, 1948 and graduated from Pilot Point Gee High School. He married Sue Harmon from Aubrey, Texas where they raised their family and lived for 45 years.

Wayne began building custom cabinets at the age of 14, and was successful enough to support his family with his own company, Wayne's Cabinet Shop. He was a very loving man with a heart of gold. He enjoyed helping others and loved his family more than life itself, which is the reason he fought the cancer so hard. He enjoyed family trips more than anything. He actually looked for any excuse to spend time with his children and grandchildren. If he could have had it his way, the family would have all lived with him. He supported his children and grandchildren at every sporting/school event that he possibly could. Wayne had a passion for Texas Rangers Baseball, and was able to fulfill his lifelong dream of being in the stands to cheer them on at game 4 of the World Series last year. The only seat better than the one that he had, is

the one he has now to root on his Rangers. He was also able to attend Barrett Jackson Car Auction in Arizona, which was another one of his life lifelong dreams.

Wayne is survived by his wife Sue Pierce, his daughter Kristal and her husband Scott Moody, of Aubrey, his son Marcus Pierce and his wife Lisa of Aubrey, five beautiful grandchildren Kandis and Kaleb Moody, Brady, Brett, and Brock Pierce, all from Aubrey, his mother Pearl Pierce of Pilot Point, his brother Gary Lee Pierce of Casa Grande, AZ, and Diane McCurdy of Pilot Point.

The family visitation will be at Slay Memorial Funeral Home in Aubrey, on Wednesday March 21, 2012 from 6-8pm.

A funeral service will be held at 2pm on Thursday March 22, 2012 at Midway Baptist Church located at 9540 Hwy 377 South, Pilot Point, Texas.

“ I thought I would look up my cousin Wayne on the internet. I was so surprised to learn he had passed away. I was going to call him to see if he made it through the Texas tornadoes. I have very fond memories of Wayne when I visited Texas. He reminded me of my dad. With deepest sympathy. Our thoughts and prayers are with you. Love Glenn and Debbie

“ We have truly lost a great friend. I had the privilege of working with Marcus and Wayne. One time I truly thought Wayne had wings when he out ran Marcus and I to a mailbox in Buda Texas. A problem happened at a house we were installing cabinets in. Someone yelled run, and Wayne was ahead of us. The yard was wet and there were no tracks, just Wayne standing by the mailbox across the road. He made us enjoy life. Our savior has a place for him. Probably in the cabinet shop, cause no one can read Wayne's plans but himself!

“ When I think of Wayne Pierce the words "Love " and "Details" come to me. I am very blessed that he passed his ability to Love and his Attention to Detail to his daughter Kristal Pierce Moody and she has gifted these to me for over 20 years.

*I know that Wayne "loved" life, his family and friends, his wife, his children and his precious grandchildren. His attention to "Details kept him "flush" in his early days! ( Yes! Kristal told me stories !!) Then his "Love "and attention to "Detail" made Him one of the finest wood craftsman and artisan whose talent will continue to grace homes for years and years.*

*I want to share my favorite memory of Mr. Pierce as I always called him.*

*My husband Dan and I were sitting behind two fine Aubrey gentlemen who were by all accounts the greatest commentators of each person walking the aisle as Marcus and Lisa were getting married. As Wayne and the incomparably beautiful Sue walked passed. The one gentleman said to the other "Look at the head on that one" Dan and I waited for the obvious reply from Wayne. What we got was Wayne's "devilish grin". You all know the one I describe. That grin could mean "you just wait", "I know but I ain't telling" or " you are more precious than gold"!*

*I know I can't say the word to make the loss of this beloved man any better but I can say that his family are in my thoughts and prayers*

“ *Though it has been years since last I saw him, I remember Wayne's kind heartedness and his friendly smile. Heaven has another smile with which to warm your heart on a cold day.*

“ Sue, Donald and I are truly so sorry about your loss, he was a one of a kind in many ways. He could fill many roles all at the same time, husband, father, grandad, and a awesome friend to so many. We will remember you and your family in our prayers always.
