“ I will always remember her for the consistent love & kindness I always felt in her presence, not to mention a positive attitude along with a great smile. I love the handmade items she gave me in recent years. She was a wonderful example to her family. To think of her is to smile. Much love always

“ Geri was the best Mother-n-Law a man could have. Our love and respect for each other passes the test of time enjoying our relationship for over 55 years now. She gave me my Jeanne who made me whole. Ultimately she said we can remove the "In-Law", and just be one of her sons!

“ I will forever cherish the memories I have of Grammy, lobster dinners, visiting her and Mabel in Florida, and as a young child wondering why she liked to sleep in the recliner instead of a bed when she stayed with us. Remembering her brings a smile to my face, she was such a strong woman, and she had a long and wonderful life!! We are all truly blessed to have been a part of it, and I can't wait to tell her great granddaughter all about her when she grows up. We love you Grammy Flynn, and I pray you are now at peace and watching over us all as our very special guardian angel! I love you.

“ Paul and I as well as Mom and Artie truly cherish the opportunities to visit with Aunt Geri during your trips north. Her upbeat go-get'um personality was uplifting - always; and her sense of humor so very much appreciated. The Gays are all now with God; Arthur, George, Dory, and Geri as well as cousin George. May they treasure each other and continue to be our angels as this next younger generation moves into their places. WE love and miss them all!!
