“ Dear Gloria,
My deepest sympathy over your loss of Greg.
I have many very fond memories over the years in Southfield.
He was a very special person to be around. Always happy and positive. He was always kind, thoughtful and sincere.
I will miss him a great deal.
This is a very sad time for the many people who were honored to know him. He made our lives better because he made each of us feel special.
My thoughts and prayers are with you and your family.
Greg's memory now becomes a special relationship with me.
I am very lucky to have it.
He was and will always be a very special man.
May God, your family and friends help you at this very sad and difficult time.
