“ Guy took delight in guessing the sex type of our grandchildren, although he was wrong on both occasions. He agreed to be the auctioneer at our choir talent show and auction to raise funds for the European tour. He was professional and lots of fun. Guy loved the Lord.

“ Uncle Guy always made me believe that I could do anything I set my mind to. Such an inspiration. I remember getting so excited when he would come into town on business and take our family out to dinner. We would go to Shakey's Pizza and it was an evening filled with wonderful stories and laughter! Already looking forward to the stories he will have for us when we meet again!

“ I knew Guy for over 15 years. He was always willing to share his faith and his love for his Lord. This world has lost a good man.

“ I remember all the fun everyone had when Dad was around to liven the place up. He had such enthusiasm! I also remember when he first got a video camera that actually recorded voices (I think it was the first one) and he used to record me singing music from Annie. He had such aspirations for me to take off with a singing career back then... I will miss him! Rest in peace Daddy!

“ I had the pleasure of working with Guy and although I was priviledged to meet him face to face only once I was in constant contact via phone with Guy. He was always a delight and had a great sense of humor. I remember trying to keep up with him during conversations because the auctioneer in him would surface and he would talk so fast (smile). He loved his family so very much and was so proud of them and always spoke of Shug with such love in his voice. Guy will forever be in my heart and he will be missed but no longer will he have to suffer and endure the pain he has for so long. I feel so blessed to have known him and I know he will continue to watch over all those he loved. Guy truely is an angel!
