“ Hugs and Kisses to the Baker family. I could write pages of the influence this family made in my life. Baker took my single Mom under his wing as a new christian, in a time when "single mom" was not frequently accepted, and taught her God's Word through Bible studies and the exemplary life he lived. His influence filtered down to and through her kids who now can only hope to be the fine example of Jesus Christ Baker lived every day. Now Baker has reached his goal. He ran an awesome race and has crossed the finish line.

Victory is won! Love you all. You are in my prayers.

“ *Mr. Baker was one of the finest men I had ever met and one of the greatest examples of a true godly man. He always had a kind and encouraging word everytime he saw me. I will remember him with fond memories and give thanks to God that I had the privilege of knowing him. Be at peace now dear friend.*
