“ I was Mrs. Ford's night nurse at Park Plaza for more than a year. I can truly say she was an absolute delight to care for & I adored her. I was so shocked when I returned to work & learned that we had lost her. I would like her family to know that we, on the night shift loved & enjoyed our interactions with Helen. We thank her family for entrusting her care to us & for sharing you mother & grandmother. I will miss my nightly conversations with her. After nursing for 37 yrs, she will join my short list of unforgetables. God bless & keep you.
