“ We all have some pleasant moments to remember,with and about Helen. Helen and I were closer both in thoughts and age, than anyone but her and had any knowledge of. She was my aunt and only a year and a few months seperated our birthdates and I loved her deeply and although we haven't had much contact lately I will miss her greatly. Now Helen is back together with her other loved ones that have passed before her and she is enjoying comfort, no pain and a wonderful reunion. I have prayed for her to get over her illness and now she is. Some day we'll all be together in the great bye and bye. Charles Ledbetter,nephew

“ She passed that strong willed nature along to her grandchildren as well. It definitely didn't skip a generation.
Love you Mom

“ Helen will be sadly missed, never forgotten, and always in our hearts. She was an amazing person. She definitely marched to her own drum but it was all part of her charm. She was a fighter, very strong willed, and she passed that along to all of her children, and great grandchildren. This world will not be the same without her. We love you Mom and Nanna. May you rest in peace and be with your soul mate once again so the two of you may watch over us and guide us from above.
With the deepest love,
Matthew, Misty, Gavin, and Tristan Rodgers

“ My best memories of my Aunt Helen was when she was younger and laughed and giggled all the time, especially with my oldest brother, Tommy. Tommy told a joke at Thanksgiving table one year and Helen spit her tea everywhere - everyone still talks about that Thanksgiving.

Helen introduced me to "Funny Face" type kool-aid when I was babysitting Keitha as an infant and I remember she always had Welch's Grape Juice (something we didn't keep in our refrigerator)... she was happy then. Helen also she taught me how to make her delicious Potato Soup when I got older. I will remember her young and happy.

“ My hero! Yes, you were always my hero and a good friend. You seemed like the one that would always stand up for me against my dad when I was in trouble, ofcourse it seemed like I was always in trouble. But you would always be around to talk to when I needed to talk. We'll all miss you very much and I'll miss the memories that we had together growing up. With all my love, Little Cliff

“ We will miss those Saturday morning garage sale trips, shopping, and dinner at your favorite Mexican restaurant. Now that your pain is gone, may your soul rest in peace.
