# Tribute Wall

BP

“ Barbara and family, I am so sorry for your loss of Brian. I know you miss him so much. You and your family are in my prayers.

Love,  
Bev

DB

“ Barbara,

*You, the girls and Brian's family are in our prayers and thoughts. I know it is sad, but I was told one time that God goes through his garden and like us we pick out the flowers we want and can use...The same with God, He goes through his garden picks the ones from His garden He wants at His time. Brian has only gone ahead first, but will be waiting to welcome his family one day.*
