“ This has been very hard on myself and our family losing you. I do feel you are with God and knowing that you are not feeling anymore pain or having to worry about any else. The sad part of your death was what is left behind here on earth. We are the ones hurting. I know when God called you home, you looked back on all the unfinished business and you said to yourself.. so let it be. Bye!

“ My heart and prayers goes out to the family as I just recently heard of Paulins passing. I will always remember those times that she helped Lindsey out and watched Monica. She was a good kind person and will be missed.
