“ Gene was a great dad! I will never let him be forgotten. All he ever wanted to do is take care of his family. I will remember all the stories and advice he would give. He wore his heart on his sleeve and gave so much to everybody else. That's the only way he would ever want it. Miss Emily will know who you were and never forget who her papa was. I know your watching over us now and will be there. I love you so much and will miss you more than you'll know. I love you GENE!!!
