“ I'll always remember Jackie's wonderful laugh. And how kind and helpful she was to friends and coworkers. Most of all how thrilled she was when she and Steve finally got the beautiful daughter they had waited on for so long. Ali, always remember how much your mom loved you and how proud she was to be your mom. Steve, I know this is a loss almost too much to bear, but we pray that you and Ali will be able to recover in time. Our prayers and love are with you both. I'm not sure we'll be back in town for the service but we'll most definitely try.

“ I have so many memories of Jackie from our years working together at American Airlines. So many of us learned so much from her! Jackie's knowledge and experience were sorely missed after she retired, and her spirit will be missed always.

“ I met Jackie & Steve thanks to Ali when Ali & my daughter Morrow attended Children's Courtyard together. Jackie bravely fought a dire diagnosis for two years, fiercely staying alive to be with her beloved husband Steve & precious daughter Ali as long as possible. We will miss her lively smile. Our thoughts & prayers are with you, Steve & Ali.

Love,  
Jerrilyn, Andy & Morrow
