“ Jack was a positive role model and his love for his children was always evident in his actions and words. He treated me as a daughter and I will always cherish the memories. We all will see each other again in a place where sorrow and pain doesn't exist. My prayers and thoughts to the white family
Love, Stacy

“ Dear Wanda-

A memorial is being sent in Jackie's name to the AFC Youth-NYC from our Sunday School Class. We all love you and Jackie and hope this will help you to know how much we care for you. The following is a chorus from the song Trust His Heart by Babbie Mason. We hope it gives you comfort.

"God is too wise to be mistaken, God is too good to be unkind. So when you don't understand, when you don't see his plan, when you can't trace his hand, trust his heart."

With love and prayers

From your friends,

“ We were so sorry to hear about Jackie. We remember him with fond memories. Jackie was a pleasant man to be around filling a room with warmth and laughter. We know you will greatly miss him. Please know that we are praying for you while you are walking this dark path and we want you to remember that you are not walking it alone.

*All our love,
Madelyn and Tim*
