“ I knew Randy from years and years of losing to him in backgammon online. His sense of humor was legendary, as was his sense of honor. He was so proud of his children and spoke of them often to me. My fondest memory of him was one day when I was on vacation out west and there was a tornado warning. I was playing with him online and told him how scared I was. He called me and stayed on the phone with me, using his Texas wit and charm to make me feel better. I will always remember his wonderful voice and his laugh. He will truly be missed. RIP my friend. My deepest sympathy to his family, Tex was a great man!
