“ *Dearest Doug and extended family. I never had the privilege to meet your dad, but if he is anything like you Doug, it would have been my pleasure. After knowing you all these years (since the 80's), I've seen you SOAR at everything you do and I'm positive that's a trait you received from your dad. Keep your chin up, for as you know he is in a much better place and in no more pain.*

Sorry for your loss and may GOD BLESS YOU during this hard and trying time.

In Christ Name, AMEN
