“ Dear Gladys, Debbie & Mike,

*We're all so sorry for your loss. We have some sweet, fun memories of your family when we were kids. I remember all the adults playing cards & watching the Razorbacks. Whenever we have Rotel dip, I think of y'all. Gladys, I remember you & Mama exercising & sunbathing & laughing alot.*

*Debbie & I played alot of dress up & Barbie's. We picked on our little brothers too. James was always a big kidder & had such a great laugh. Did we all go to Six Flags when it was just opening? Those were some of my happiest memories. Having just lost Mama just one month ago, I can relate with your sorrow. It's been difficult. Resettling our lives without her is painful. Steve & Doug & I really lean on each other for support right now. We know she's happy now with Jesus & daddy. She is free to move around now. I pray that the Lord will comfort you as He has us. You know, He loves you more than you'll ever know. You'll be in our thoughts & prayers.*

*Love, Becky Bell*
