“ I am so sorry to hear that Jim is gone, but happy that he is in a better place with no illness or pain. I knew Jim and Chris through my brother Don Prohs who shared many great Mustang memories with them. I also shared in some of those great memories including decorating the cars for Christmas parades. Jim was always so nice and so helpful. I know he touched a lot of lives and he will be greatly missed. The family is in my thoughts and prayers.
