“ I'm am so sorry for the loss of Jeff. I worked with Jeff for 8 years at UPS and he always spoke of his family. He loved them dearly. He would always tell me stories about is kids. One story was about his little boy who was going to 'tell on Jeff' for something. He said Jeff was going to get in "Trudle" (instead of trouble). Jeff and I would use the term "Trudle" at work alot regarding the status I was usually in. It is such a shocking loss. He will be missed. Prayers to the Starr family.

Matthew 5:4

“ I met Jeff about eight years ago when we started the combo shift at Ups.We often took smoke breaks together so we kind of got to know each other on a personal level.We had many conversations about anything and everything.We joked and laughed.It was always easy to bring a smile to his face. He always spoke very highly of his wife,Carrie,and you could tell he simply adored her and their children. We were talking about our favorite bands one day and I told him I had been to several Rush concerts but I couldnt stand their music,He laughed and said that was his favorite band. Since then when I hear Rush I think of him right before I switch the station. Now when I hear Rush at work I will have to listen to the whole song in his memory, THANKS ALOT JEFF! I will miss you!
