“ *It is hard to believe it has been four years - although at times it seems like a million years since I've seen your smiling face. I loved you yesterday, I love you today and I'll love you forever. I miss you, but I will see you again one day in Heaven.*

“ Doris, I am so sorry to hear about your loss. It seems like yesterday when we were working together at Cargill and talking about your daughter, family and your eventual move to be with your daughter. There is nothing anyone can say at a time like this that will help ease your pain and grief. She is in a beautiful place right now and you have so many loving memories to help get you through this very difficult time. Until you meet again, God bless. My thoughts and prayers are with you and your family.
