“ *You were the big brother all girls want to have. I looked up to you because of your huge, unselfish heart. I love remembering your high school days and how you dazzled everyone that watched you play. #66. "All City" your sophomore year. And the real true friends you made during those years. They were there at your funeral. Pretty amazing. Just like you Jerry. Roger and I feel your loss in our family everyday. I just hope you knew how much you were loved.*
