“ He is my grandpa. I have 18 years worth of memories with this man. IF you knew him you were lucky. If you didnt, im sorry you never had the chance. But he is and always will be my biggest hero. He was a father to me. He is the funniest man i will ever know. Although the memories i have with him can never be replaced, they will also never be forgotten, as he will live within me as i continue to guide my life in the right direction. With the guidance he gave me. I love my grandpa.
