“ *Dear Crystal and Sherry - It makes my heart so heavy to hear about your loss. I remember Jimbo being so laid back and easy going. Please know that my thoughts and prayers are with you and your family during this very difficult time.*

“ *Jimbo,  
You were such an incredible man and I will never forget all of the special times we had together! You always made me and Crystal give 110% in everything we did and that will stick with me forever. We could ask you for anything and you never would tell us no, you were always right there for us. I loved you so much and thank you for all the time you spent with me. I know that the lord has a very special place for you and now you can rest without the pain. I will see you again, just make sure you have me a glove ready and broke in!! Love, Spanky*
