“ *I still can not believe that you are no longer here. It had been so long since we had seen each other and thanks to facebook we were able to get in touch again.*

*It all seems like it was yesterday when we were bugging your brother and my sister. All of us riding to church together. And just simply being chidren out on the ranch riding horses and fishing. Growing up and going our separate ways, but funny how all the memories are still fresh. Just sad that ur not here to laugh about all those memoris with me and all the other friends and family now. But, I know that we can shed our tears and morn ur death for now. Then we can smile as you serve a new purpose now. Your with the Lord and with your Mom. Your here with us all in our hearts and all the memories you created with us all that knew you. As for you John, one with a great smile, deep voice, tender laugh and a giant heart will never be forgotten.*

“ Our hearts go out to the Akins family for their loss. Big John, You were like the ornery big brother I never had. You teased me when I deserved it or need to be put in my place. You listened to me & comforted me when I was sad & falling apart. No matter what, you always found a way to make me laugh. I can't believe your time was cut so short. I'll never forget you my friend.
