“ *When I was young (6 or 7) John always pitched pennies with me and let me win, he even gave me the pennies to play with, so I could go down to the little store and buy soda and candy. We have a very large family and I have many good aunt and uncle's but John was one in a million.*
I Love you uncle John and will miss you more than I can say. It's just still so unreal!
But, I know you are with God and ma and pop!
Love you!!!!

“Wow, lots of memories and not one specific one comes to mind to enter here. John was a most fun living spirit and one that I looked up to for all of my life. My heart is very heavy for our family and most specifically for Sandra. I will miss sharing the laughs with a great uncle and a wonderful person.

“Sandra and family - Words cannot begin to heal the hurt you are feeling right now but maybe in some small way it helps to know that we and others share in your grief. We love you and are here if there is anything we can do for you.

“Jason, Matt and I are deeply saddened by Uncle John's passing. When we think of him, which we will do often, we will remember his humor, his joy, his fun-loving spirit, and the the immense love he had for his family. We love you, too, Uncle John!
