“ I pray for you, your family and your extended family that God will be with you today and always. May you find peace and serenity as you walk through this day knowing that John is safe, happy and proud of you. My thoughts and prayers are with you that you will find peace and comfort in your lives as you learn to live without John in your presence and realize that day to day our loved ones never really leave us - you can always find them in your heart. I love you and will keep you in my prayers. Patricia Sappington (Amanda's Mother)

“ To George Ann and family: I would like to offer my condolences for the unexpected passing of "Big John". One of my fondest memories was when after I lost my right leg 5 years ago, he was a big help in my recovery with his kind words and big "corazon". He will be remembered in the JCI Senate prayers and in mine especially. GOD BLESS!!

“ Many wonderful and profound memories of John; such as the time looking for the right blue water in the Gulf after eating the egg sandwich; being caught using the Governor's elevator, with his daughter on board, and so many Jaycee related. I'm blessed by having known John and will have everlasting memories of those shared.
