

## John Sherrer

January 21, 1943 - May 28, 2010

The family will receive friends Monday, May 31, from 5-7 PM at Lucas

Funeral Home, 137 East Hill Street in Keller.

Beloved husband, father and grandfather, John was born January 21, 1943, in Bay City, Texas, to the late Mildred and Henry J. Sherrer. Devoted husband of Ann Sherrer for the past 44 years, as well as loving father to Amanda Horn, Carleton Sherrer, Nathan Sherrer and Bethann Barnhart and doting grandfather to Haley and Kendall Horn, Justin, Collin, Blaire and Robin Sherrer.

A graduate of the University of Texas at Austin, John worked for Bell Helicopter

Textron for forty years. Before retiring, he proudly served as Bell's Chief

Engineer on the Presidential Helicopter Program.

An active member of the Methodist Church from childhood until recent years

when he became ill, John served on numerous committees including the Building

Committee of the First United Methodist Church of Keller when they broke ground

at the Johnson Road location.

John always strove to be the best at everything he did; whether it was cooking,

dancing or gardening, he succeeded. His love of and skill with photography was

legendary among family and friends. The thing he loved most was his grandchildren;

he greatly enjoyed spending his time teaching all the young ones to drive his golf

cart and truck at every opportunity.

John's other survivors include his brothers, Henry J. Sherrer of Fort Worth and

Van Sherrer of Wyoming. He is also survived by his aunt and uncle Norma  
and

Coy Ramsey of Bay City and aunt Lucille Hinds of Houston.

To honor John's memory contributions may be made to the International  
Myeloma

Foundation [www.myeloma.org](http://www.myeloma.org)

“ I remember John at church as being a kind and dedicated member of the 1st United Methodist Church. I, also, remember him as someone who fought for what he believed. I admired him and I know his family will miss him greatly.

“ I grew up with Johnny, he was my next door neighbor. I've known him for over 60 years. We had some fun times building a club house for boys only in my backyard, riding bikes through the woods at the end of the dirt road on 8th st in Bay City. Once we set the canebrake behind the house on fire (it was one of our hideouts). We attended many out of town high school football games in my 1955 Chevy, which had "Slow Poke" and a turtle painted on the side by Johnny. He was quite the artist having also done a drawing of the Abominable Snowman on the cover of my senior paper in high school. Off we went to Wharton Jr. Collage, John in 1960 and myself in 1961. We commuted in several different vehicles, one being a 1958 T-Bird (there were six of us, and this is a four passenger car) what fun. There were many fun times water skiing at Caney Creek during the summers of the 1960's. I'll always remember John at Aquilla at Thanksgiving, he never slowed down. When he wasn't mowing the grass, or digging up mesquite, he was shoveling cow patties of the road so we wouldn't have to drive through them. The cowboy breakfast was the best. John, we're really going to miss you. Our love to you Ann and all the family.

“ We loved dancing with you two at Mid-Cities. We admired the way John could dance. We are at liberty to be back there because Jim resigned from the church and works for Lucas. He is scheduled to work another funeral at the time of John's. Know that we care!

“ We have known John & Ann since 1984 when we first came to Keller and have always admired their love for each other, family and for the church. Loved to see them together and were saddened by his illness, but know he is pain-free and kicking up his heels.
