“ There are too many memories from those years in Quincy to pick only one. The celebrations at Grandma & Grandpa Treston's, especially the holidays; picnics at the "mansion"; "best friend" cousins to grow up with. And Uncle John always with a smile and a kind word for his nieces and nephews. Family may spread out to the corners of the map but they will always be in my heart and Uncle John will always be in my thoughts and prayers.
