“ I was blessed to know John for a little over 20 years. We shared football clinics, baseball clinics, the Chili's run and of course the Lord Jesus Christ. At his service the other day I realized John wssn't just a special friend to me, but to so many. His quiet nature and humble faithfulness will be missed by us all. Thanks to the entire Weber family for sharing the love that was so apparent in each of you. Because I knew you, John, I have been changed for good.

“ Your friendship in this life for the last 21 years has had such an impact. Thank you for the early morning meetings, for the first Chili's run, for the football and baseball clinics, for driving all the way to Tulsa, for answering my personal questions, and for marrying my husband, Mark and I just 18 months ago. Your life made and big impact on many and perhaps leaving this world to be with our lord an even bigger one. A life well lived my friend

“ I didn't really know John, but I did know his baby girl, Becca. She looks like her mama, but her personality reflects her daddy. She and my son, Tyler, were good friends growing up in church together. She loves giving bear hugs and loves to listen.
Becca you are your father's legacy. I love you dear and wish I would have known your daddy better!
My prayers are with you and your family! God has richly blessed you.
I love you, Kandis Crumpler

“ As a friend in high school and fellow born again believer I had the good fortune to visit with John on a few occasions in later years and he always strengthened my faith in what he said and how he presented himself. Many good memories can be shared from our high school days but none so meaningful as those words of faith we spoke about which will allow us to glorify God together one day in eternity. Gods blessings on his memory and prayers of comfort to you he left with us for a time longer.

“ Weber Family,
Your husband and father was a true man of our Lord. My life was shaped and molded as a teenager by men and women who loved God. Your family was one of those influences on my life. My husband, Greg and I, along with my parents, Lynn and Sharon Carter, are praying for your family. We know this is a difficult time. We pray God's peace and comfort for you this day. God Bless You All.

“ John Weber was one of the most Godly, humble, wise, encouraging, and genuinely kind men I had the blessing of knowing. He will be missed, but his ministry, friendship and faith will live on in so many lives he touched. I give thanks for his life, and extend my deepest sympathies in your loss.

“ 52 days ago John Weber joined Ed & I in marriage. We will always be blessed to have known him and to have spent time with him. He taught us that making a living is not the same thing as "making a life." We will miss you our dear friend.

“ I feel priviledged to have known John and Carol Weber. He was a good friend and brother in the Lord. We had so much in common; so much that this loss is deeply felt! I enjoyed our conversations about his kid's activities at Texas A&M. He was so proud of each one; and, of course, we know Who made him look so good! Carol, Betty and I support you in prayer. May He provide for you now, in your time of need. Bill & Betty

“ I am so sad about my cousin John, and my thoughts and prayers go out to his family. I have so many great memories of our childhood on the farm back in South Dakota. John and i would pretend to be the Mom and Dad and Cheryl, Lynette, and Joyce were our 'kids' we played house and we had mail boxes at the end of our driveways so we could send messages back and forth...we had a shack somewhere on the farm...i remember cutting thru the field to get to school and riding our bikes getting into trouble, John would shoot me with his B-B gun and laugh, and the rock pile...and crawling thru the culberts in our driveway, setting traps for minnows..those were the days! love you John...your cousin Marlene

“ Dear Carol and family,

We are so sadden to hear about the sudden death of John. We are praying for you all and know that the good Lord will be with all of you in this time of your sorrow.

I am so glad we had our Weber family reunion this summer and you made a special effort to come and see the relatives. What a wonderful memory and also the video I have of the event will be a lasting memory of John.

Growing up on the farm by Lesterville, SD has many memories since John and his family lived across the road from us. I remember the one winter when John's ice skates did not fit him because they were too big and mine were too small, so we exchanged skates- John got my white pair and I got his black pair! (We were lucky to have a lake in our front yard.)

One other time we were riding horses and John told me to let my let my horse gallop and instead the horse bucked me off! Next time I remembered not to listen to John!

If there is anything we can do for your family please let us know.

In Christ's love,

John's cousin, Joyce (Weber) Parmley and my husband Ron
