“ *My favorite memory of Jonathan goes back to when he was all of four years old. Our family was attending the wedding and reception of one of our cousins. Finding the dance floor almost empty, Jonathan and the flower girl got out there and danced the night away. Those two cuties could really cut a rug!*

I was smiling from ear to ear just watching them have so much fun. They were the life of the party. Then when they took a little break, Jonathan was intent on going up to the soft drink bar by himself so that he could get drinks for his new "girl-friend" and himself; he was quite the little gentleman. It was one of the cutest things I've ever seen. Jonathan just melted my heart that night.

I will miss you, Jonathan. May God bless you and take care of you now.

*Love,
Aunt Karen*
