“ I was so sorry to hear of Josh's passing.

I had the opportunity to work with Josh at Chase Paymentech many years ago. He was super nice guy and always had smile for everyone.

My thoughts are with the family and those that loved him during this most trying time time.

My condolences.

“ My heart goes out to Josh's family for their loss. I remember Josh, fondly, as a bright, energetic young man - full of life with a glowing energy. He brought smiles to everyone he touched with his gentle grace. When I was pregnant with my daughter, Josh bought us these precious Beatrice Potter books. 11 years later they are still in her bedroom. Heaven has a new angel that will truly help light up the skies every time he smiles -- and I am sure Josh still smiles often.

*My prayers are with the Hedges and Kitchens families,
