“ It is with great sadness that I am having to light this candle. We had grown to know Joyce as she was an insured of ours. I am sad that we will no longer be able to see her, but I know that she fought a great fight. We are all better for having know her and her courageous spirit. We were out of town and didn't know of the funeral arrangements. We will be making a donation in memory of her with New Life Church. Love and prayers to you all!
