“Joyce, i can't believe that you are gone, remember when we used to stand out in your Mom & Dads front yard, looking for the 2 boys we were supposed to have dates with, and they always stood us up, i can't remember who they were now, it has been 2 many years... May God Bless Your Children and all of your family, you will probably remember my Sister, Elaine Barham, she used to baby sit for you.....

“Joyce-
I am so grateful to you. You have truly shown me what a great mom is. Your thoughtfulness, and wisdom will be missed. I will miss our phone conversations and your laugh. You are one of the best, (If not the best), people I have ever met. I know you are in heaven looking down on us all. You would be very proud of your family this week, they have all shown your amazing strength. I love and miss you.

“ You are greatly missed grandma.. My memories of you as a child are coming to your house as a child an spending hours here. I remember playing with the same set of toys that you had for years, and it never got old. You have helped me alot over the years, and there is nothing that i could have ever done to repay you. But all i could do is help when needed. Thank you for everything grandma, love you very much. Cole.
