

## Judith Bump

April 16, 2009

Judith Ann Bump passed away peacefully, surrounded by her family and in the arms of her husband on Thursday, April 16, 2009, after fighting cancer by never letting it stop her from enjoying life.

Judi was born Judith Hall in 1946 in Lewiston, Maine, moving to California when she was 13 years old. She married Gary Bump on July 8, 1967. Judi and her family have lived in various places, including Fresno, California; Taylorsville, Utah; South Lake Tahoe, California; Davis, California; and now Mansfield, Texas. Her creativity, organizational skills, writing skills, and love of people led her to a career in marketing as a Marketing Manager for Sutter Davis Hospital, which she retired from in 2002. After retiring, she enjoyed working part-time at the South Lake Tahoe Women's Center and an interior design company, Interior Motives, in Tahoe.

Judi's optimism and zest for life was admired by all. She loved to be surrounded by nature, which is evident in her homes and beautiful yards. Her final resting place will be in South Lake Tahoe, California among beautiful pine trees and flowers.

Survivors include her beloved husband of nearly 42 years, Gary Bump; daughters Sheri Bump Lasick and her husband Steven Lasick, and Vicki Bump. Grandchildren Robert Lasick, Cheyenne Lasick, and Raven Lasick;

sisters Linda Hall, Carol Yandell and her husband Dale Yandell, nieces Michelle Yandell and Cindy Yandell, and many friends all over the country.
