“ My thought and prayers are with all of you. Julie was an awesome lady who did indeed touch many lives. She was my daughters first soccer coach at age 4 she is 22 now. If not for Julie's positive guidance she may have never played again but played all the way through 2 years of college. She will be missed but not forgotten.

“ I have had the pleasure and honor of knowing Julie and Joel, Ashley and Brandi for over five years. Soccer brought us together. Both of her daughters have played in college for me and Ashley continues as my assistant coach. Her support of her girls and my team has meant alot to me. Julie was an ideal soccer mom and parent and a person that I wished I could have known better. I will miss talking to and seeing her.
