

## Kelli Hundt

January 29, 1961 - February 6, 2012

KELLER -- Kelli Denise Pruet Hundt passed into the arms of her Lord and Savior on Monday, Feb. 6, 2012.

Funeral: Noon Saturday in Lucas Funeral Chapel in Hurst. Visitation: 11 a.m. Saturday.

Memorials: Union Gospel Mission, [www.ugm-tc.org/give](http://www.ugm-tc.org/give).

Kelli was born Jan. 29, 1961, in Amarillo. She was an honor graduate of Duncanville High School class of 1979 and received her bachelor of arts degree from the University of Texas at Dallas and graduated magna cum laude.

Kelli began her career at Stevens Park Hospital in Oak Cliff as a senior in high school when she was 17 years old and continued her career as a certified respiratory therapist at Presbyterian; McKinney; and Medical City and Baylor hospitals of Dallas. Later, she was a manager for American Home Patient Home in Roswell, N.M., and Health Care and Rotech Home and Health Care in Midland. Kelli had the heart of a philanthropist, always giving and caring for the sick and those in need. She never forgot the many souls at Christmas and year-round who were without loved ones. She enjoyed giving to the Angel Tree and Salvation Army. Kelli never let her visitors leave without giving them

a little gift. She had a heart of gold.

Kelli developed multiple sclerosis in 1999 and had suffered with the disease for many years. She was strong and fought the battle with courage, dignity and a Christian heart. Her sense of humor and love for family was with her always and to the end of the journey on earth. She will forever live in our hearts and minds and hearing her voice and laughter will never be forgotten. Kelli was a wonderful wife, mom, daughter, sister and friend.

Kelli's life mission was to see her loving son, Kamron, achieve his college degree and to have a happy, healthy and successful life as a Christian. Kamron carries with him all the good his mom passed on to him and all she prepared him for along life's journey. She's in his heart, loving and guiding him.

She was predeceased by her grandparents, James Bruce and Eunice Hensley; father, Joe Pruet; and pets, Riley, Tippy and Willie.
