“ Bible family, my name is Rick Galvan. My family and I live in Crosby, Texas. I was very saddend to here that your parents passed. I maintained your parents yard for two or three years. They were both very nice people and I always enjoyed their visit when I would come by. I remember when I first started doing their yard, your dad would always want to know when exacatly I was going to come by because he did not want to miss me and not be able to pay me while he was out runnig errands. But as time passed and he got to know me a little more, we came up with a place he would leave the money. Just a small token of a memory that I will always cherish. My family's thoughts and prayers are with you all at this time of need.

“ As I said on Charlotte's page, we loved them both dearly. They were such an incredible couple, and blessed everyone who knew them. We know they will be missed so much by all left behind. What a wonderful example of love they left for us all...
