“ *I am the grand daughter in law and the thing I remember most about Grandpa Miller is that he loved telling jokes. He used to catch me in jokes because I didn't always get them when we were first married. And he thought that was the best. We will miss him very much. God bless you Grandpa.*

“ *I remember growing up with Grandpa holding a cup of Whiskey in one hand and talking with the other. I will always remember him making fun of those he loved to be around and I will miss him dearly. I love you Papa with all of my heart!!*
