“ I'll always remember the time Kevin drove his motorcycle - I think it was a Ninja - into the Marceau's living room den. When he hit the brakes the whole room turned red from the brake lights. I bet Kim and Darren "forgot" to tell Pat that story.

“ Dear Patricia & Richard: Words cannot express the deep sorrow that is in my heart for the both of you and your family. I did not know how brave and true to our country your son was. God will take good care of him as he rests in peace. Love to all, Cousin Jean Marie & family

“ I knew Kevin mainly as a good friend to my brother, Michael. He was a great friend to everyone who met him I believe. He enjoyed life and people and was one of those people who you loved to be around. He did a lot in his short time here and I am blessed to have known him.
