“ My baby brother Kiefer, I miss you more than you'll ever know. Im so happy that we got to share so many memories throughout your life. You didn't deserve to go this early. I still remember a few years back on thanksgiving we were hungry and knew dad wouldn't have dinner ready til late and we drove everywhere to find that nothing was open so we ended up at 711 lol! I remember you got "the bomb" burrito and I told you what if the cashier asks "why are you getting a burrito on thanksgiving?" You told me you would tell him "its just a snack!" Damn I miss those days so much now and wish we had more. I know ill see you soon and we can have another "bomb burrito" RIP Kiefer Smith the best brother anyone could ever ask for.
