“ Dear Dennis Family,
Please accept my heartfelt condolences on the loss of your dear loved one Kim. Even though I never met her personally, death is still something that we all experience. The wounds can be so deep that they never seem to heal. Rest assured that our Heavenly Father cares for you so very deeply and understands your pain. (1Peter 5:7) He has lovingly made provisions to reunite us with our dead loved ones by means of a resurrection right here on earth in peace, happiness, and perfect health. (John 5:28,29; Psalms 37:9-11,29; Isaiah 33:24) Learning about these Bible promises has comforted me deeply. We can trust that what our Creator has promised will be fulfilled because it is impossible for Him to lie. (Hebrews 6:18) May God's trustworthy promises help to make your present pain a little easier to bear. My deepest sympathy to you.

“ *She was a very special niece, our first born. She fought so hard to live and raise her children but our father in heaven loaned her for a little while that we could enjoy the time we had. I have wonderful memories. I am so thankful to have had the time together that we had and someday I will see her again. I will miss her very, very much.*
