“Karl, Rhys, Piper, Shelby and myself all want to say how much we love and will miss Memere/Grandmere. She was an interesting, feisty and loving woman who took care of all those around her. I know she is so happy to be in heaven with Pepere and Toby. It also makes me happy to know that Marcus now has his Grandmere there with him and I know she'll take care of him until I get there. RIP, we will see you again someday.
