“ *Brother Sam and family,
Although we only knew Mrs. Linda for a short time, our family was truly blessed because we knew her. She had the sweetest spirit. She made us feel so welcomed and loved from the first time we met her. We are grateful to have had the opportunity to know her. You are in our thoughts and prayers as you go through this most difficult time. We love you!
Love, Greg, Heather, Caty, Becky and Will Tarver*

“ Though I have only known Linda and Sam for a few years I feel as though I have known them for a life time. Linda was like a sister to me, she was my best friend. We did things together that I would have never done alone, she helped get me out of my shell. She was a light that helped me to grow in the Lord. My heart is so heavy that at times it is so hard to hold back the tears but I know she is heaven right now laughing so hard at all of us trying to figure out how to get to her thru all this weather "saying hey guys, I am not there, stay in, be safe and I will always be with you because I loved you all so much". There will be an emptiness on Sunday's at church because I always knew she was at my right side and now she won't be there, physically anyway. Linda, you will always and forever be in my heart and I thank you so much for being my friend and coming into my life. Sammy, that is how I will address you now because that is how my dear friend addressed you, both Bruce and I love you as well, you are a part of our family and always will be. These next few minutes, hours, days, weeks, months will be so hard for you but I know how much she loved you and she will be there spiritually to get you thru. How blessed you were to have had a person like Linda in your life for so long, I only had the pleasure for a short time. You and yours are in our thoughts and prayers. All our love, Bruce & Markie.

“ Bro. Sam and family!!!

I am so sorry for your loss! I will miss Mrs. Linda!

She always made sure to ask about my Mom and even call to check on her or wish her a Happy Birthday, which thrilled my Mom!!! It always made me happy knowing that someone was caring for my Mother!

Your family is in our prayers!

“ *I only knew Ms Linda a year and felt like I knew her my entire life. I always thought to myself that I wanted to be like Linda, I admired her and I never told her and I feel so bad for not hugging her every Sunday and telling her how much I loved and respected her. She was a true light for me and I will never ever forget her. She was the one and only best friend that my Mom ever called her best friend. She will be so missed by our family and we will still hold her spot on our pew at church because no one could fill it like Ms. Linda. Sam, and family words can not express how I feel for you and the loss you have suffered. I used to watch you and Linda and Charlie and Moniene and just see the love that poured out of your eyes for each other and hope that people can see that in my eyes for CT and my family someday the way we saw it in yawl's eyes. I am so grateful I had the chance to know Linda and the Lord has one beautiful angel with him now with a big smile on her face. She will be missed. We love you all.*
