“ *Well where do I begin? I have known Linda for 50 years. She was the big sister I never had. I will always remember hanging out with her and helping her fold tons of laundry. She always listened to me and understood me. I loved her so much! I will miss her deeply!*

“ *Linda,*

*I love you so very much and will miss you deeply! You have always been so special to me. My greatest memory of you is when you and Harold, Shari and Karen used to come over to my grandparents and eat tacos! We were always so stuffed afterwards! I also just loved to talking to you about anything and everything!*

*Can't wait to see you again in heaven!!*
