“ *She always had time for her family. I don't remember a time that we were ever turned away. (Or call and ask if we could stop by.) We could show up at the door unannounced and always seemed pleased and welcomed us to eat with them. Mom could whip up a meal in no time. I loved helping her in the kitchen and spending so many times with her and Dad.*

“ *We celebrated Thanksgiving and Christmas without you and Dad this year. It was sad for us all but we kept reminding each other of the memories of you and Dad and what the Holidays were for us as a family. You will always be in our hearts and we will speak of both of you often! Love you forever! Your baby girl...*

“ *When my wisdom fails in the face of calamity and my desires turn to dust, the sudden realization dawns in my mind that God's grace is never far from grasp nor the love and embrace of my Mother's arms.*
