“ *Dear Lynn Family...*

I am so sorry to hear the news about Lois. It is always difficult to go through the death of somebody. Growing up, whenever we suffered the loss of someone, whether very young or very old, my Mother would often say “Who are we to say that his/her life was not full?” I understand my Mother was drawing on her faith and spirituality to help grieve the losses. She believed we are all born on this earth to do something and when we have finished what we were put here to do, we will be with Jesus. Through my Mother’s example, I do believe there is a plan for each of us. Mother would also say “The quality and fullness of our lives is not measured in length, but in the love and examples we leave those we have left behind.” All of us, that knew Lois, knows she has left behind a legacy that will forever shine through her family. I will always keep all of you in my thoughts and prayers.

“I worked with Lois in 2001-2002 in Pilot Point. It was right after the death of my mom and Lois was so kind to me and offered advice and just showed genuine interest and thoughtfulness. She was an amazing nurse and friend and I will truly miss her.
