“ *My dearest Grandma the memory that I continue to think of nonstop these days is our trip to florida with the family! I will never forget how your eyes lit up every time you saw a palm tree and your beautiful face when you saw the ocean. You wanted EVERY picture by a palm tree and felt at the top of the world as you played in the ocean. I love you and will keep this memory as well as the many others that I have treasured in my heart forever. I love you always and know you will continue to watch over our family in heaven. You will be greatly missed!*
