“ *Our thoughts and prayers go out to you Uncle Charlie and Kathy, Bob, Joe , Dave and families. Aunt Marlene was always there to give you a big hug and a big smile. My most outstanding memory is when we were kids and we made the trip to your house. We went to 6 flags over Texas. I wanted a pair of leather chaps and a bulls horn. Not a chance of me getting it but when Christmas came around guess what was in the mail box from the Procters ! I wore those chaps as often as possible and only wish I knew what happened to them. The bull horn I still have and would bring it out every once in a while to wake the kids up for school . So thanks for that memory and many others.*
