“ Only a month ago we were all packing up after an enjoyable weekend together at the Texas Bison Festival in Johnson City.
The herd stays around its fallen member for a long time. We'll keep you close in our memories, Mark.

“ We are so saddened by the lost opportunities that this tragedy has created. Mark's enthusiasm for anything associated with bison made him the ideal person to lead our organization and we were eager to renew our involvement. We hope you find strength in the love and support of your bison friends and will choose to remain associated with those who would make the TBA's future one that Mark would be proud of. God Bless you , Mitzie.
