“ I knew Mark professionally for about 2 years. It only took about 2 minutes to realize what a great person he was. Although I only had contact with him through work, I will miss him and remember him fondly.

“ I would like to express our deepest and sincere sympathy to Pam, his daughters and grandchildren first of all. Mark was one of our company's best and brightest salesmen and managers, along with his compatriot and friend, John Ends, in the midwest, and later in California, Texas and Miami, he always did his best and cared about the future of the company. We will miss him dearly as he helped to propel the Coulter company as the leader in its industry by being honest, forthright and dedicated to his customers. At the same time he and his family endured the hardship of traveling, being absent from his family but being true to their needs.

We, I will truly miss our companionship and fun.

“ *Pam and family,
I hope you know that my thoughts and prayers are with you all.
Mark was such a good friend to those who knew him, husband, Dad
and son. What a great guy and what a great fight he fought for
himself and all of us. He will be dearly missed by all of us who loved
him.
God Bless you all and I wished I could be there to give you all hugs.
With my deepest sympathy.
